Absent: Lumey Gamboa

AGENDA TOPIC	DISCUSSION	ACTION TAKEN
Call To Order		12:05pm
Conflict of Interest	Brendan O'Neill asked board members to declare now or before discussion.	<i>None at this time.</i>
Approval of Agenda	Brendan O'Neill asked if there were any additions or changes to the agenda.	MOTION <i>It was moved by Meredith Bowery; seconded by Bill Moyer that the agenda for 1/10/24 be approved as circulated; CARRIED.</i>
Approval of the Minutes	Brendan O'Neill asked for any amendments/changes to the minutes from the 12/4/23 board meeting.	MOTION <i>It was moved by Steve Johnson; seconded by Chris Hansen that the minutes from the 12/04/23 board meeting, be approved as circulated; CARRIED.</i>
Strategic Plan	<p>Brendan O'Neill thanked all that participated in the in-person December strategic planning meeting in Dublin, Ohio. Brendan had distributed documents identifying all the work we did and what needs to be done. Brendan reviewed draft measures and data sources stating that the idea is to align this document and each of the goals with each of our committees under the IAHTM umbrella. Brendan also put together and distributed a "terms of reference" guidance document for each chair of the committees. Brendan asked each chair to:</p> <ul style="list-style-type: none">• Review the documents• Reach out to committee members• Convene a committee meeting and discuss the work that needs to be done based on the draft measure and data sources	

	Discussion followed. Brendan stated that the next in-person Strategic Planning meeting would include partners.	
Palm Springs	<p>Brendan O'Neill stated that one concern came up after seeing the Palm Springs presentation in Toronto and agenda. This concern centers around the Air Museum and riding in the planes. It was felt that we needed to have a liability discussion from a governess perspective. Brendan asked for the board's thoughts on this subject.</p> <ul style="list-style-type: none"> • Should we have an additional waiver? • Is it financially fair when only a small number of attendees can participate? • Do we need to add additional insurance? <p>Discussion followed. It was decided that Christy Carper would share the cost of the different planes, as well as the Air Museum's waiver. Charles Berge offered to have his lawyer the waiver over. After reviewing the conference budget, as well as the waiver, the board will make a decision at the February Board meeting.</p> <p>Brendan O'Neill also shared the cost of the nightly room rate in Palm Springs, which is \$269.00 a night, plus a \$35.00 a day resort fee, plus tax. A subsidy discussion followed and the importance of clearly communicating the cost to the attendees.</p> <p>Rocco Romeo stated that the amount of laundries attending can change our budget numbers if attendance is up.</p>	<p>MOTION <i>It was moved by Meredith Bowery; seconded by Malcolm Pallos that the rebate per night would be \$245.00 for up to 5 nights in Palm Springs;</i> CARRIED.</p>
Roundtable	Malcolm Pallos asked a question about dual cameras and discussion followed.
